SCIENCE

A VISUAL PLANNER

Preparing for My Visit to the Montshire Museum of Science

WWW.MONTSHIRE.ORG

Instructions

1. A few days before your visit, print out the picture cards, checklist and first/then sheets on the following pages to plan your trip to the Montshire Museum of Science.

2. To help you decide where you want to go, read about the different exhibits and experiences on the Montshire's website. Information is located in the Exhibits section of the website.

3. When you've decided which areas you want to visit, cut out the cards you're interested in and attach them to your planner. There are also other cards to say when you need to take a break, use the restroom, or anything else that will make your visit more comfortable.

4. Be sure to leave some boxes on your planner empty so you can add to your list while you are at the Museum.

5. Bring your completed planner with you to the Museum.

1st floor: Penny Well

1st floor: Wonder Woods
